Welcome to Plano High School

Plano High School is a member of the Interstate Eight Conference and the Illinois High School Association. This program is provided by compliments of the Plano Sports Boosters and the businesses that advertise in it's pages. Please show your appreciation of their support by patronizing them in their place of business.

As administrators and teachers we believe that we are educators first and coaches second. Our young people are indeed fortunate to have a fine coaching staff to assist them in their efforts to perform at their best. It is our duty as parents and fans to show respect to all players, coaches, and officials at all times. Remember – the boy or girl competing is the son or daughter of someone sitting next to you in the stands. It is important to put forth a positive image at all times, thus encouraging those who work hard to do their best.

The character of the young people who participate on the teams for Plano High School is of highest importance. We measure success not only in wins but also in the growth of our athletes as in their display of maturity and character. Please encourage their participation and speak kindly of their honest efforts to achieve the goals they strive to reach

The display of sportsmanship is an important asset!!!

PLANO SPORTS BOOSTERS – FACT SHEET

Website: www.reapernation.com

Mission Statement

The mission of the Plano Sports Boosters shall be as follows:

- To raise funds to supplement the athletic budget for District #88 and work with appropriate administration officials to determine the disbursement of funds raised.
- To work with and support the administration of District #88 in it's efforts to provide the best possible athletic experience for all athletes.
- To work within the community to ensure proper support and recognition of all athletic programs.
- To demonstrate by example the highest standards of courtesy, good sportsmanship and proper conduct to all players, coaches, and officials at each and every athletic event.

Fundraising

Mission Statement from the Athletic Director- Jim Schmidt

I aspire to help create an outstanding educational/athletic organization that provides a high quality experience to every athlete. A high quality experience is one in which every athlete:

- is coached using the principles of positive coaching
- has fun playing the game
- feels like an important part of the team
- learns "life lessons" that have value beyond the playing field

I recognize that the coach is the one who most directly makes this all possible. It is my goal to provide every coach with the tools to be able to be successful as a Positive coach.

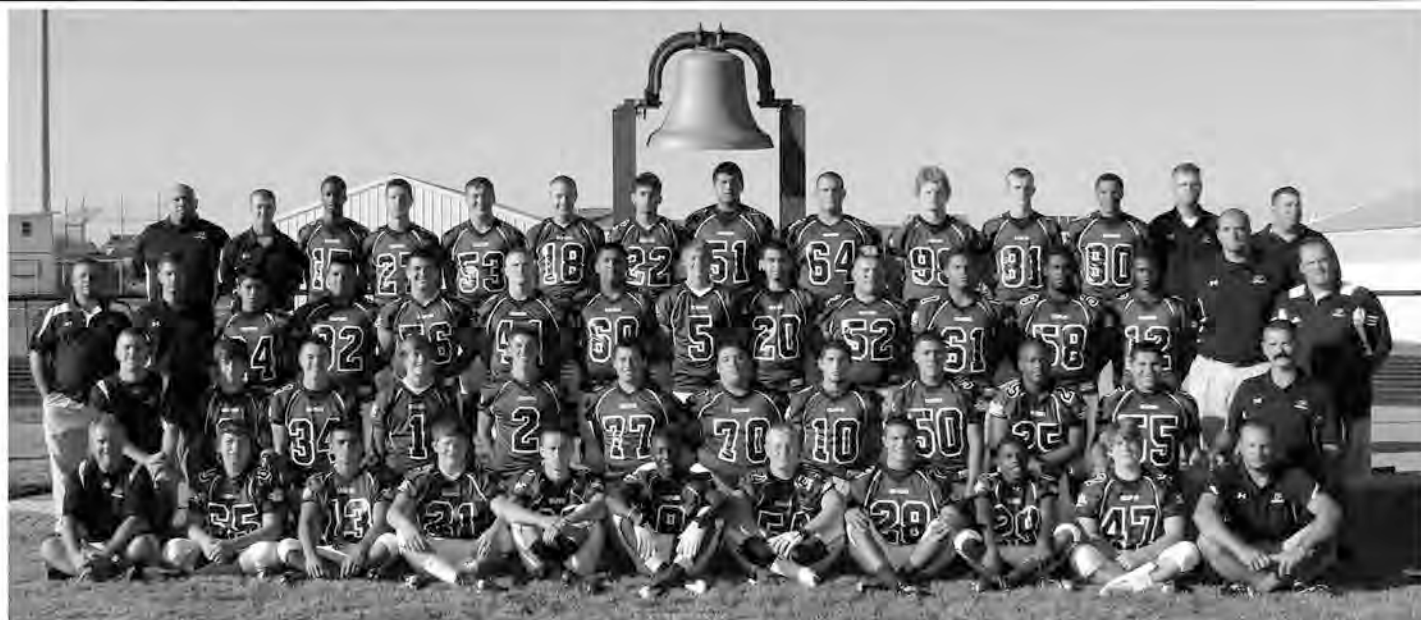

I am committed to creating a positive environment in which coaches, parents, fans, officials and students work together to achieve excellence.
