Mission Statement from the Athletic Director- Jim Schmidt

I aspire to help create an outstanding educational/athletic organization that provides a high quality experience to every athlete. A high quality experience is one in which every athlete:

- is coached using the principles of positive coaching
- has fun playing the game
- feels like an important part of the team
- learns "life lessons" that have value beyond the playing field

I recognize that the coach is the one who most directly makes this all possible. It is my goal to provide every coach with the tools to be able to be successful as a positive coach.

I am committed to creating a positive environment in which coaches, parents, fans, officials and students work together to achieve excellence.

WELCOME TO PLANO HIGH SCHOOL

Plano High School is a member of the Interstate Eight Conference and the Illinois High School Association. This program is provided compliments of the Plano Sports Boosters and the businesses that advertise in its pages. Please show your appreciation of their support by patronizing them in their place of business.

As administrators and teachers we believe that we are educators first and coaches second. Our young people are indeed fortunate to have a fine coaching staff to assist them in their efforts to perform at their best. It is our duty as parents and fans to show respect to all players, coaches, and officials at all times. Remember – the boy or girl competing is the son or daughter of someone sitting next to you in the stands. It is important to put forth a positive image at all times, thus encouraging those who work hard to do their best.

The character of the young people who participate on the teams for Plano High School is of highest importance. We measure success not only in wins but also in the growth of our athletes as in their display of maturity and character. Please encourage their participation and speak kindly of their honest efforts to achieve the goals they strive to reach.

The display of sportsmanship is an important asset!!!!
